In Transition 1.0

From oil dependence to local resilience

Community Gathering and Discussion
Local snacks available

Aromas Grange - Corner of Rose & Bardie
FRIDAY, October 19th at 7PM
Come early for an optional potluck at 6pm

The Transition movement is about communities around the world responding to peak oil and climate change with creativity, imagination and humor, and setting about rebuilding their local economies and communities. It is positive, focused on solutions and fun.
