

# Rainwater Catchment Workshop 10/21/2012

Transition Aromas presents an informative workshop on how to install a basic rainwater catchment system at your home. LeAnne Ravinale, an expert on rainwater catchment, will talk about the preparations and decisions necessary to install a successful simple system, and then we will install a system on Path's house. Later, walk across the street to Cindy and Richard's house to see three different types of rainwater catchment systems in use, including a 1950's era system using the barn roof, and a very low-tech permaculture solution.

Bring a bag lunch if you'd like to stay for Q&A and conversation after the workshop.

Date: Sunday, October 21, 2012

Time: 10:00 AM to 1:00 PM

Location: 462 Seely Ave, Aromas

**Please RSVP to Path by Saturday morning if you are going to attend.** Call 831-331-3868 or 726-9644, or email her at [pstar@ucsc.edu](mailto:pstar@ucsc.edu).

Transition Aromas offers this workshop for free, but donations for the presenter are welcome.

# RAINWATER CATCHMENT

## MADE AFFORDABLE AND SIMPLE

SUNDAY, OCTOBER 21, 2012, 10:00 AM TO 1:00 PM  
PATH STAR'S HOUSE, 462 SEELY AVE, AROMAS

*Transition Aromas* presents an informative workshop about how to install a basic rainwater catchment system at your home. LeAnne Ravinale, an expert on rainwater catchment, will talk about the preparations and decisions necessary to install a successful simple system, and then we will install a system on Path's house. Later, we will walk across the street to Cindy and Richard's house to see 3 different types of rainwater catchment systems in use, including a 1950's era system with the barn roof, and a very low-tech permaculture solution.

Please bring a bag lunch if you'd like to stick around for Q&A and conversation when the workshop is over.

For more information or directions, see Path's contact info below.

PLEASE RSVP BY SATURDAY MORNING 10/20 TO:

[pstar@ucsc.edu](mailto:pstar@ucsc.edu), 726-9644 or 331-3868

Transition Aromas offers this workshop for free, but donations for the presenter are welcome.
