

Fruit Tree Care Workshop – 1/19/2013

Transition Aromas will be presenting a workshop on planting and pruning fruit trees on Saturday, January 19 from 9:00 AM to noon at 60 Carr Avenue, Aromas. The cost for this workshop is \$5.00.

The class will be bilingual and will be taught by by Richard Smith, a Farm Advisor with the Monterey County Cooperative Extension, and joined by Bill Coates, a retired fruit and nut tree adviser from San Benito County Cooperative Extension.

Growing fruit and nut trees is a great way to produce more of your own healthful food and save money on groceries. This workshop is designed for anyone new to tree care as well as people who have trees and want to increase their skills.

9:00 AM Tree planting demonstration

- Discussion of site selection and soil types
- Variety selection
- Planting
- Amending the soil

10:00 AM Pruning demonstration

- Discussion of pruning techniques for various fruit tree types

11:30 brown bag lunch and discussion

- Discussion of your specific tree questions
- Pest management
- Grafting
- Sources of hard to find varieties, etc.

Bring a brown bag lunch and come prepared for the weather. Call Richard at 726-3406 for more information or to register.
