

## **A Gathering of Gardeners – 2/27/2013**

Transition Aromas is hosting a Gathering of Gardeners on Wednesday, February 27th at 7PM at the Aromas Grange.

In our first Gathering of Gardeners we will begin to address the question and share ideas about what we need, as individual gardeners and as a community, in order to increase our food resilience. Among us, we may already have much of the knowledge, skills and resources that we need. How might we collaborate to increase our sustainability?

We anticipate addressing such topics as: varieties that do well in Aromas, fertility inputs, seeds, water, adult 4-H, produce exchanges, and more. Please come and share your ideas and knowledge!

For further information, please call Wendy at 726-3406 or Cindy at 726-7205, or contact us at [info@transitionaromas.org](mailto:info@transitionaromas.org).
