

A Gathering of Gardeners – 10/09/2013

Wednesday, Oct 9, 2013, at the Aromas Grange
Gather at 6pm, potluck dinner at 6:30

The goal of the Gathering of Gardeners is to share information and skills to help each other become better gardeners. At this autumn Gathering we will celebrate our harvests with a friendly potluck dinner, hear reports from discussion groups, engage in a discussion about winter cover crops, and check out the offerings at the Share Table.

What to bring:

- A potluck dish to share, with a list of ingredients
- Your own place setting (plate, cup, and cutlery)
- (Optional) Seeds, starts, produce or information for the Share Table

For those who would like some help, there will be Technical Support available between 6 and 6:30 pm for the email discussion groups. Or contact cindy.slade@sbcglobal.net to make other arrangements for assistance.
